The Public Parking Authority of Pittsburgh ("Authority") desires to retain a consultant (the "Consultant") to analyze and recommend a parking rate structure for the Authority's garage facilities, neighborhood surface parking lots and on-street parking meters (collectively, the "Parking System") that optimizes the use of the Parking System and provides the Authority with sufficient revenues to meet its operating and capital expenses. As more fully set forth in this Request for Proposals for Professional Services (the "RFP"), the Authority is requesting proposals from qualified respondents that have demonstrated experience in analyzing and recommending parking rate structures in major U.S. cities.

RFP Packets will be available Wednesday February 8, 2012 after 3:00pm on the Authority website at www.pittsburghparking.com and also at the Authority main office located at 232 Boulevard of the Allies, Pittsburgh, PA 15222.

A Pre-Proposal meeting is scheduled for Tuesday February 21, 2012 at 11:30am at the Authority main office located at 232 Boulevard of the Allies, Pittsburgh, PA 15222.

Prospective bidders are required to submit three (3) copies of the proposal in a clearly marked and sealed envelope 5:00 P.M. E.S.T. on March 15, 2012.
