Parking Authority to launch automated enforcement of Smart Loading Zones in 2024

Beginning, January 8, 2024, PPA will begin automated enforcement for the Smart Loading Zone program including extended time and new rate structure. For the first two weeks, only warnings will be mailed to drivers. Beginning the week of January 22, 2024 tickets will be issued. Penalties may be up to \$40 per violation. This automated enforcement will include sending warnings or tickets by mail to the registered owner of the vehicle for parking violations. Violations include failure to pay (e.g., unregistered vehicles), parking beyond the maximum permitted duration, and double parking. Zones are enforced Monday – Saturday, 8am – 6pm.
